

Green Procurement

Using buying power to influence change

This 50 minute presentation gives an overview on how to implement a green procurement policy in your workplace. The presentation explores ideas such as:

- Why buy green? Environmental Impacts
- Green procurement definitions and examples
- Certification programs and product examples
- Paper case study
- How to develop a green procurement policy
- Policy wording and examples

The cost for this informative presentation is \$125 (member discount applies). It is ideal for a group lunch and learn. Please contact Lindsay Luhnau by email at lindsay@cleancalgary.org or by phone at (403) 230-1443 ext. 228 to book.
